

Professional Experience

Senior Landscape Designer

Freelance / Self-employed – Prague, Czech Republic | 2010–Present

- Designed and executed over 200 residential and commercial landscaping projects across Prague and surrounding regions.
- Specialized in native planting schemes, sustainable garden design, and outdoor living spaces.
- Worked closely with clients to create custom solutions that balance aesthetic appeal with long-term maintenance needs.
- Managed small teams of gardeners, stoneworkers, and subcontractors to deliver projects on time and on budget.
- Gained a reputation for attention to detail, creative vision, and respectful collaboration with clients.

Junior Landscape Architect

Green Horizons Landscaping – Dublin, Ireland | 2006–2010

- Assisted in the development of design concepts for public and private green spaces.
- Prepared planting plans, technical drawings, and cost estimates.
- Supported senior designers in on-site supervision and customer consultations.
- Contributed to award-winning urban garden installations at regional shows.
